NITL ELECTS NEW EXECUTIVE COMMITTEE/BOD

Mr. Terry Bunch of Rayonier was elected as the Chairman of The National Industrial Transportation League's (NITL) Board of Directors. Mr. Bunch succeeds Mark Maleski of J.C. Penney Co. who just completed his second consecutive one year term. As Chairman of the Board, Mr. Bunch also serves as Chairman of the League's Executive Committee. "I look forward to working with the League's Executive Committee, Board of Directors and the staff in Washington," said Mr. Bunch. "The League's leadership on issues that affect all shippers is unmatched, and I know we have important challenges ahead of us." Also elected to the Board and its Executive Committee as the NITL Treasurer is Rick Webb of Watco Companies. He succeeds Mary Pileggi of E.I. du Pont de Nemours & Company who held this position. She was in turn elected to serve as the organization's third vice chair.

A complete list of the newly elected members of the Executive Committee, Committee Chairs and at-large members of the Board of Directors for the coming year is as follows:

We especially want to welcome the newest Members of our Board, Brad Howell and Pat Walsh.”

A full list of NITL leadership can be found here: <http://www.nitl.org/mission.htm>.

Founded in 1907, the NITL is the nation’s oldest and largest association of companies interested in transportation. The League’s more than 600 members range from some of the largest companies in the nation to much smaller enterprises. The League’s members primarily include companies that move their products through our country’s transportation network and are engaged in the movement of goods both domestically and internationally. League members ship their products via all modes of transportation.
